## **WIC Project to Benefit Servicemen**

Once again, the Women in the Church are teaming with Blue Star Mothers of Central in a project to support sons and daughters who are currently serving in the Armed Forces of the United States around the world. This is just one of the many projects in which Blue Star Mothers are currently involved. We plan to include in each soldier's package a card with a personal note regarding their care by God and their need to know and trust in Jesus. This project involves members of Grace collecting small items to be sent to these dedicated service men and women. These items will be collected at our church and then given to Blue Star Mothers to be sent to specific APO addresses around the world. We will be collecting these items from Sunday, ***June 5th thru Sunday, June 26th.***

***These items must be individually packaged and must be able to fit in the pocket of fatigue pants. Trial-sized items are perfect!***

There will be a display in the church Fellowship Hall with more information about this project, a separate supply list you may pick up. There will also be a box in which to leave your donations.

***Please prayerfully consider taking part in this wonderful worthwhile project honoring and remembering our servicemen and women.***
